In Through the Out Door

"In Through the Out Door." As I sat in my room, thinking about our most original theme for this year-book, I thought about just what does "In Through the Out Door" mean?

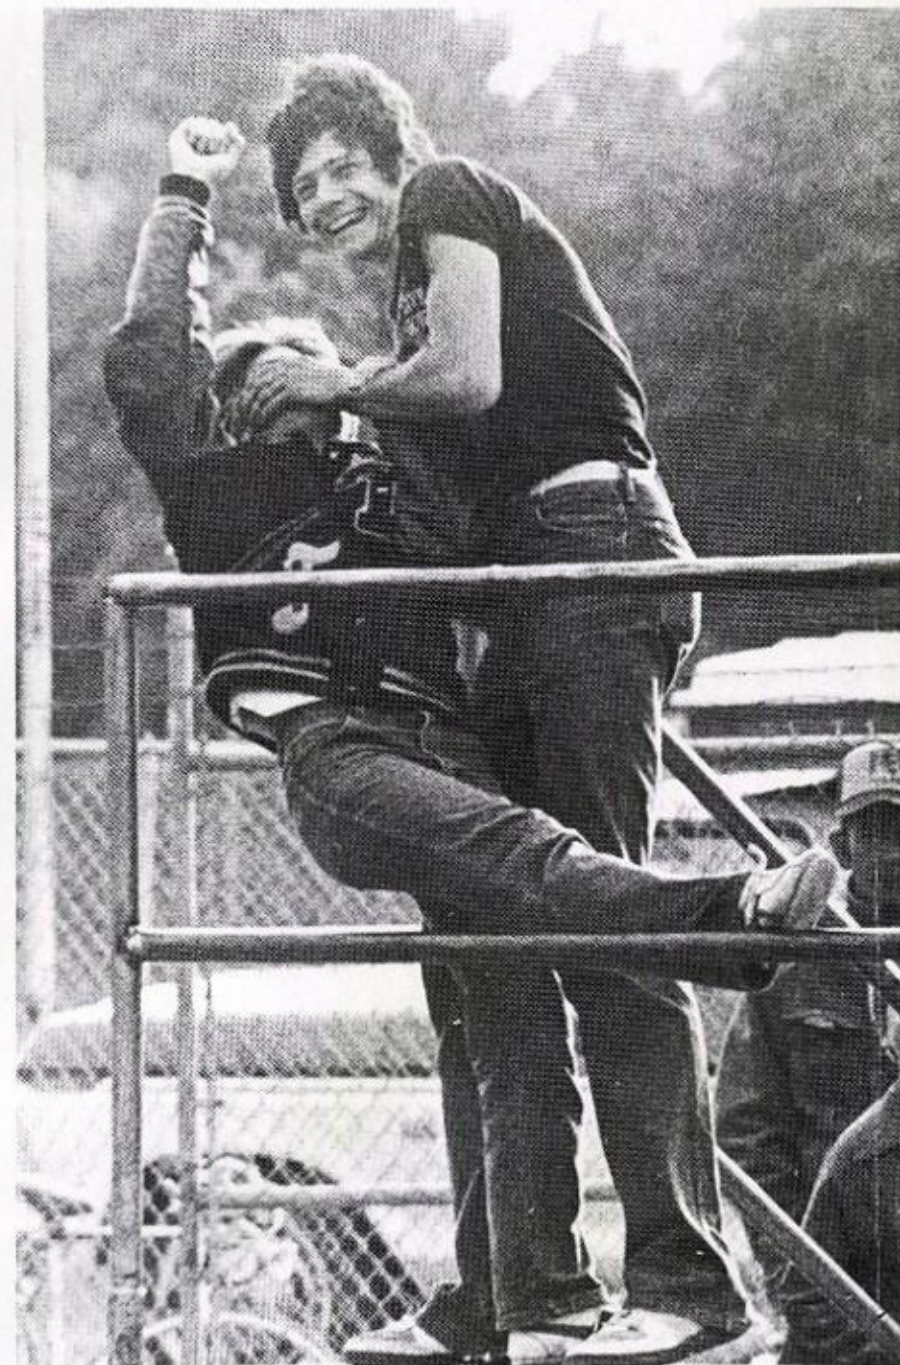

On August 25, 1983, over 400 students walked through the doors of Ord High. New students, old students, and teachers entered into our lives for nine more months of studies, ball games, and parties.

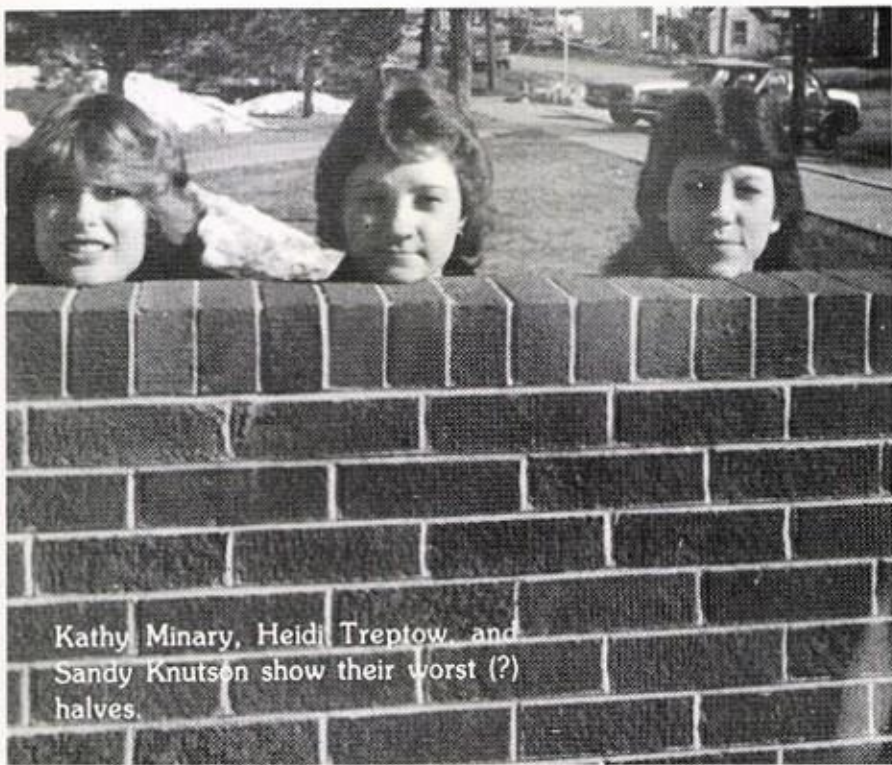

For the seventh graders, entering into a new high school can be exciting. The school is a big, unfamiliar place. In elementary school, they were the big fish in the little pond, but now are the little fish in the big sea.

As for the seniors, being the big fish and preparing to go out into the world can be pretty scary. They're entering into the world, and growing out of being just another student.

Doug "Bump" Benda turns to check out the rest of...

Many people will come into our lives and touch us forever. Remember your first date? Or your very first kiss? Remember your excitement as you walked through the doors of school for the first time? The people who taught us all through grade school: Miss King through Mr. Hyde? Miss King has been replaced by Mrs. Sanders, Mr. Patch by Mrs. Turek. The names and faces have changed, our old teachers have gone out of our lives, but their memory may be inside of us for a very long time.

"In Through the Out Door" can have a deep meaning to us all. From grades K-12, someone has entered into our lives and someone has gone out of them. Let's try to remember the good times and let the bad slip away. Nothing will touch us more than the fond memories we have of our good old school days.

The 1983-84 annual staff was an all-girl staff. There were eight seniors and three juniors who learned it is a lot of hard work putting the annual together and meeting the deadlines set by the instructor.

The instructor and advisor was Mr. Pedersen. J. Hansen was the editor and K. Clement filled the new position of junior editor for the annual.

There are a lot of decisions

to be made in putting the annual together. The staff must decide what layouts will be used, what pictures will go on the pages, and what section will come first in the annual, etc.

The work done on the annual is a year round process. The work doesn't end when the school year ends. The annual staff saw some slides of the work done on the annuals by the staff of the publishing company during the summer.

"Sunny Side of the Street", "Beat It", "Islands in the Stream", "Embraceable You", "Thank Heavens for Little Girls" — from the guys —, and "My Heart Belongs to Daddy" — the girls' response.

Dayle Johnson was the musical director for the program. Scott Vancura played the bass guitar, Brant Dowse the drums for the group, and Audrey Novosad was pianist.

The members had a lot of fun attending Foreign Language Day at Kearney State College. Jennifer Lueck said that is was "real interesting and informative, and gave some real good ideas of skits the spanish club could perform for the grade school." They also enjoyed a spring party, where they watched some movies.

The drama class was active in 1984, working on a number of plays. The students divided into groups of two to four to work on their plays.

Some of the plays the members performed were: "If Women Worked As Men Do," which they did for the Central Ten Conference Contest; "The Shoemaker's

Wife," which they put on for District Competition; "Anastasia," performed for the Loup Valley Raider Contest.

Kim Hackel, a four-year member, said that "participating in drama is an event in your life where you can improve yourself and overcome your shyness."

STUDENT LIFE

Spirit Week Opens the Door

Senior Slumberers snooze on Pajama Day.

Spirit Week was an exciting time of the school year. Students got to dress as their favorite M*A*S*H characters, as members of the opposite sex, got to sleep in the halls on Pajama Day, and showed their maturity on Baby Day.

The Student Council thought up games that ranged from the Baby Food Eating Contest to the Human Sewing Machine.

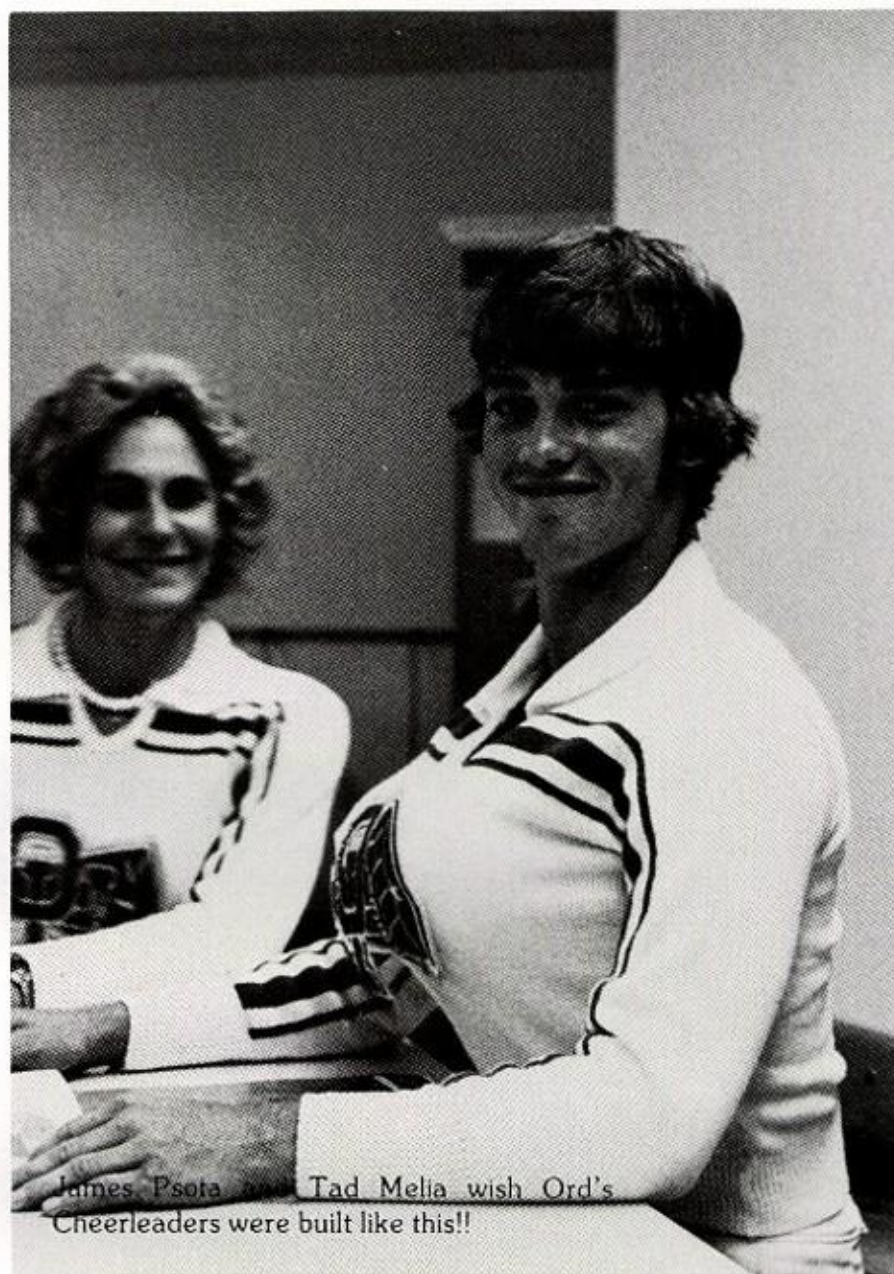

The traditional Downtown Pep Rally had the football players being mauled by the Chamber of Commerce Cheerleaders, and the usual good wishes. This year, Varsity Footballers, Volleyballers, and Cheerleaders were presented with picture buttons, compliments of Ray's Studio.

Warner, Melia Crowned

Homecoming Queen Kathleen Warner and King Tad Melia.

This year the Friday night Homecoming game was against the Aurora Huskies. It was a well-played game even though Ord lost, 14-0.

The Homecoming royalty consisted of Jeff Augustyn, Russ Blaha, Brad Nelson, Randy Welniak, Kim Cook, Kim Hackel, Heidi Kerchal, Charlene Laughlin, King Tad Melia and Queen Kathleen Warner.

After the game, a dance was held at the Vet's Club. This year, there was a break in tradition which upset a few students — at the dance, at disc jockey from Kearney played records rather than having a live band.

Whether it's cruising the streets, going out on dates, or partying out of your mind, the nightlife is one of the most important activities in the life of a high school student. Homework and chores around the house tend to put a damper on fun times, but we all seem to find time to spend a few hours with friends.

This year, many students found refuge at the show, the "Pump", the Emporium, and various party spots around town. Mom and dad may have had some objections, but the gas that was used in the car did go for a good reason.

“We’re in the Money!!”

Junk food, fuel, tapes, and clothes. We all spend money on something. A lot of students ask their folks for an allowance — or a raise in one. Others resort in hunting for jobs.

For a young, inexperienced high school student, being successful in the working world is a tough job. Employers have a tough time working around school, sports, and vacations.

Most of the time, if you don't like working with food, clothes, or gas, jobs are far and few between.

Sophomore Guy Pinkman works at Misko's and had this to say about his job, "I like the work and the extra cash, but it bugs me when people try on 8 pair of shoes, make me lace them, and then don't buy any."

This year, the biggest and probably the most popular pep rally was the Thursday night Homecoming Bonfire held at the baseball diamond. It went over well with newcomers, "The Pillow People", putting in their first appearance.

Another first was our mascot, The Chant. Jeff Bennett was that masked person inside the costume.

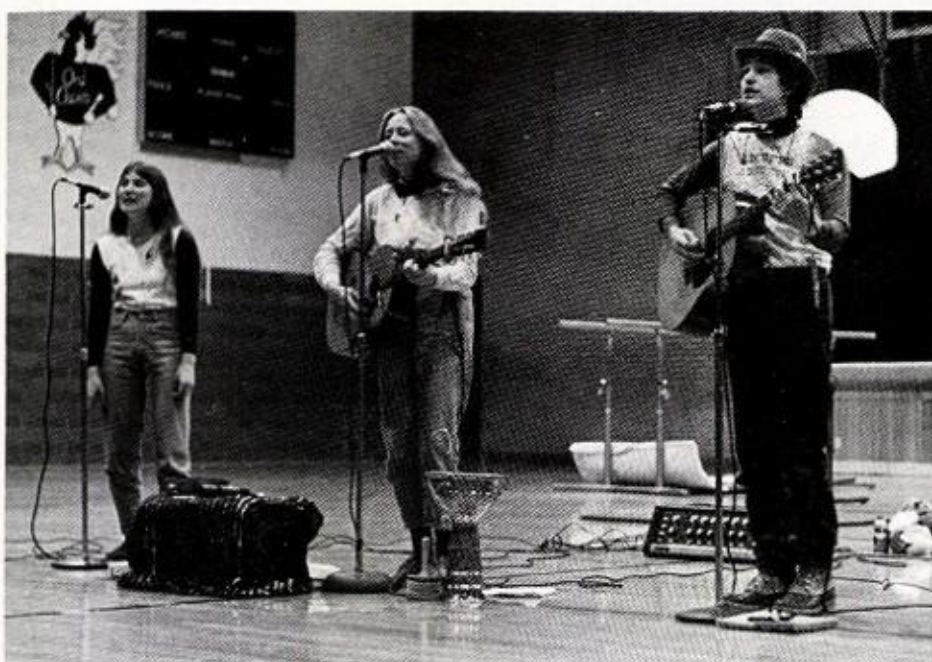

At most pep rallies the cheerleaders put on skits. One of the best is shown above and was called "Suckers", which was very true to life.

The FHA put on an all day convocation on alcohol awareness. Various panels of alcoholics and drug abusers, representatives from Valley Hope, the Ord area probation officer, and numerous others gave discussions and question and answer sessions during the day. The convocation was termed a "success" in the school newspaper The Oracle.

When the Camera Catches You

Have you ever noticed, when you least expect it, when you're looking your worst, someone snaps a picture? Your eyes see spots from the flash and you chase the photographer down the hall or around the classroom to get the film.

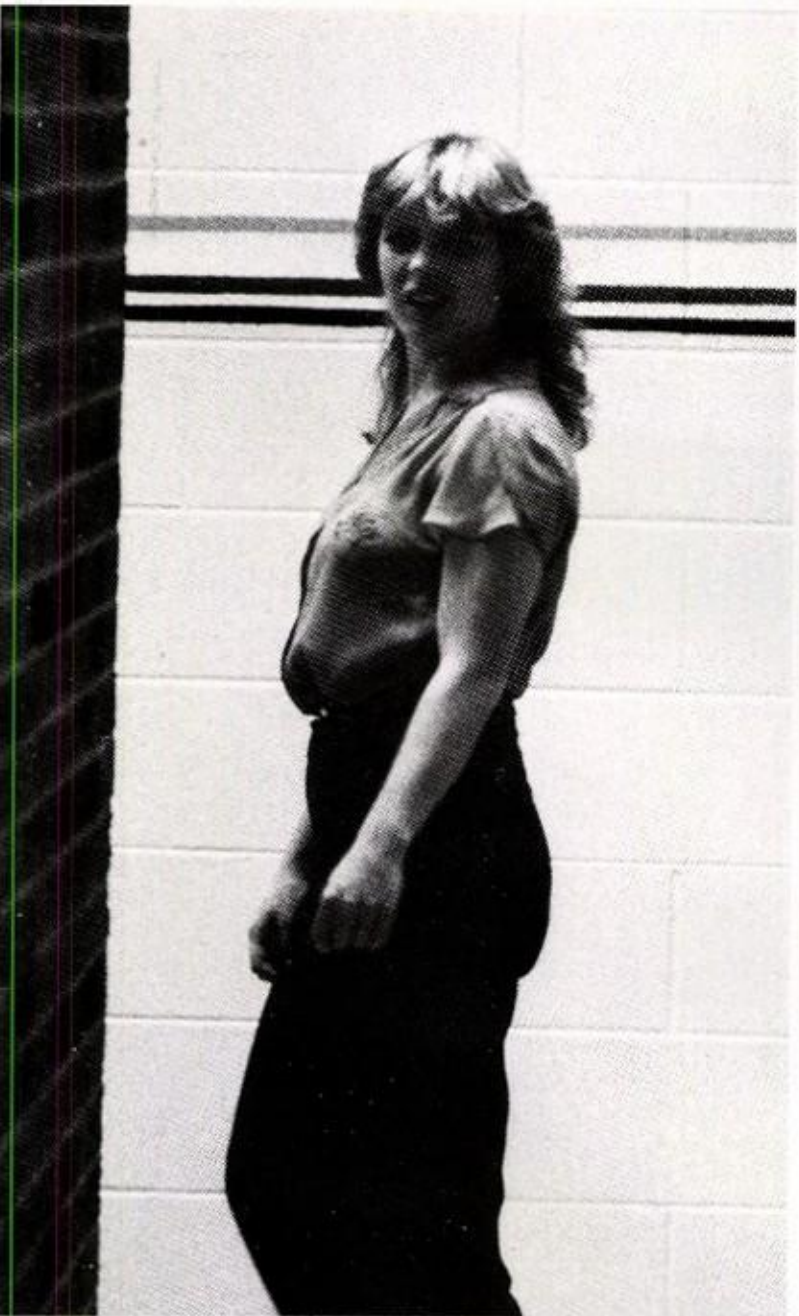

Some people ham it up, some shy away and it's hard to get a serious photo without "bunny ears" sticking up somewhere. No matter how much you hate (or like) the idea of having your picture taken, it is inevitable, and you usually look forward to seeing the finished product.

The photography staff snapped quite a few pictures this year, did they catch you off guard?

Valedictorian, Kim Cook, gave her address and Randy Welniak, Salutatorian, gave the welcome.

Other awards of note were Russ Blaha named Outstanding Senior Boy and Kim Cook named Outstanding Senior Girl.

"A Night at the Top"

"A Night at the Top." This was the theme of Prom 1984. Prom this year was something very special for most juniors and seniors.

The banquet, held at the Veterans Club, May 5, started with the couples being seated by sophomore servers dressed as clowns. Guest speaker, Richard Ernst, spoke of problem times while growing up.

After the banquet, prom-goers walked upstairs to the new addition and entered through curtains and streamers. The dance floor resembled a big circus tent with a carousel in the middle.

From 8:00-9:00 photographs were taken by Ray's Studio.

The King and Queen were Tad Melia and Kim Hackel. Brian Meese and Kerrie Hackel were crowned Prince and Princess.

Music was supplied by The Pud Brothers of Lincoln, Nebraska.

The Long-Awaited Day is Here!!

"What lies behind us and what lies ahead of us are tiny matters compared to what lies within us."

This was the motto for the class of 1984.

Commencement was held Sunday, May 20 at 2:00. Juniors Tammy Vancura and Kevin Bosworth ushered in the graduates.

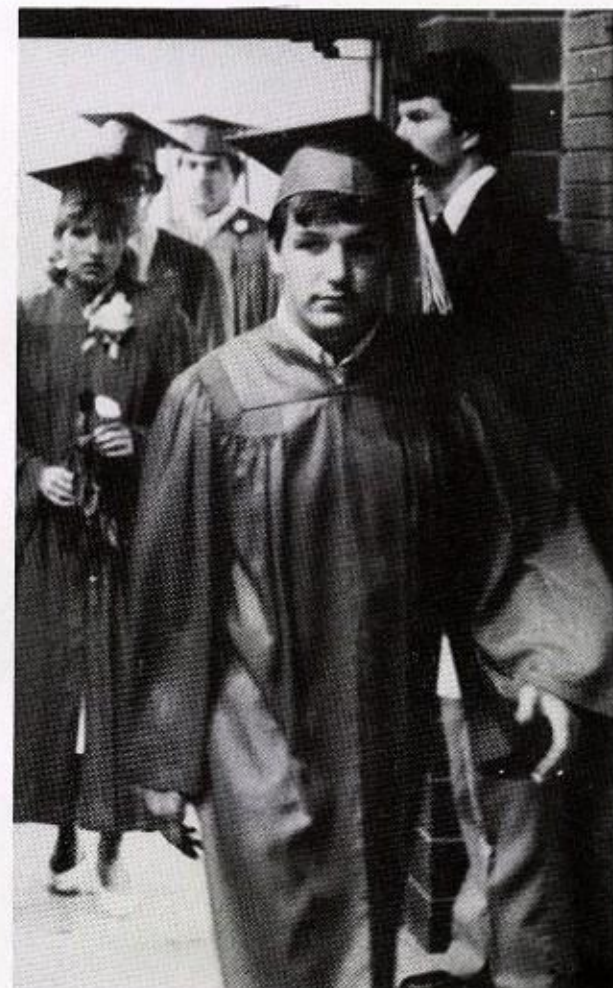

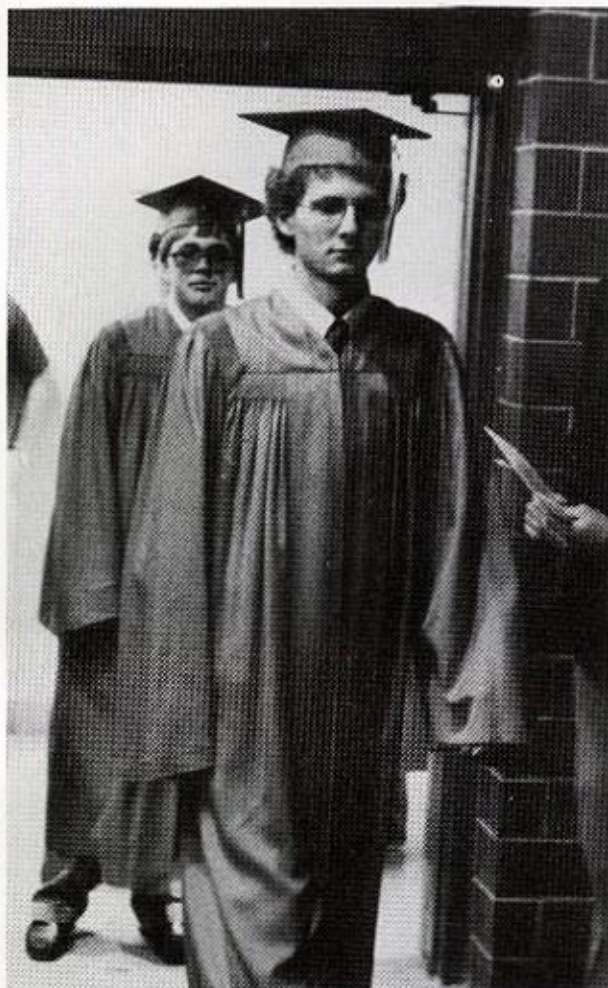

The high school band played "Pomp and Circumstance" and "The Star Spangled Banner." Pastor Jerry Peterson of the Ord Christian Church gave the invocation and benediction.

Musical entertainment was provided by the Ord Singers.

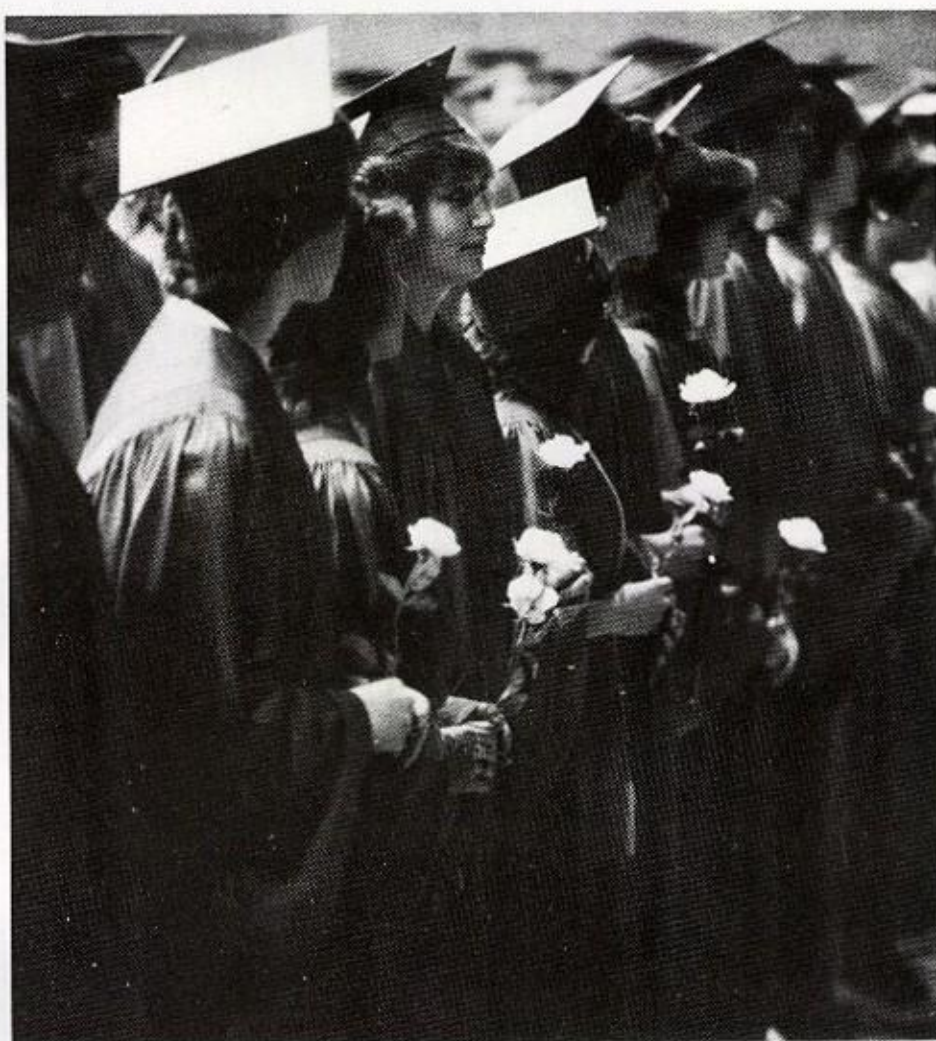

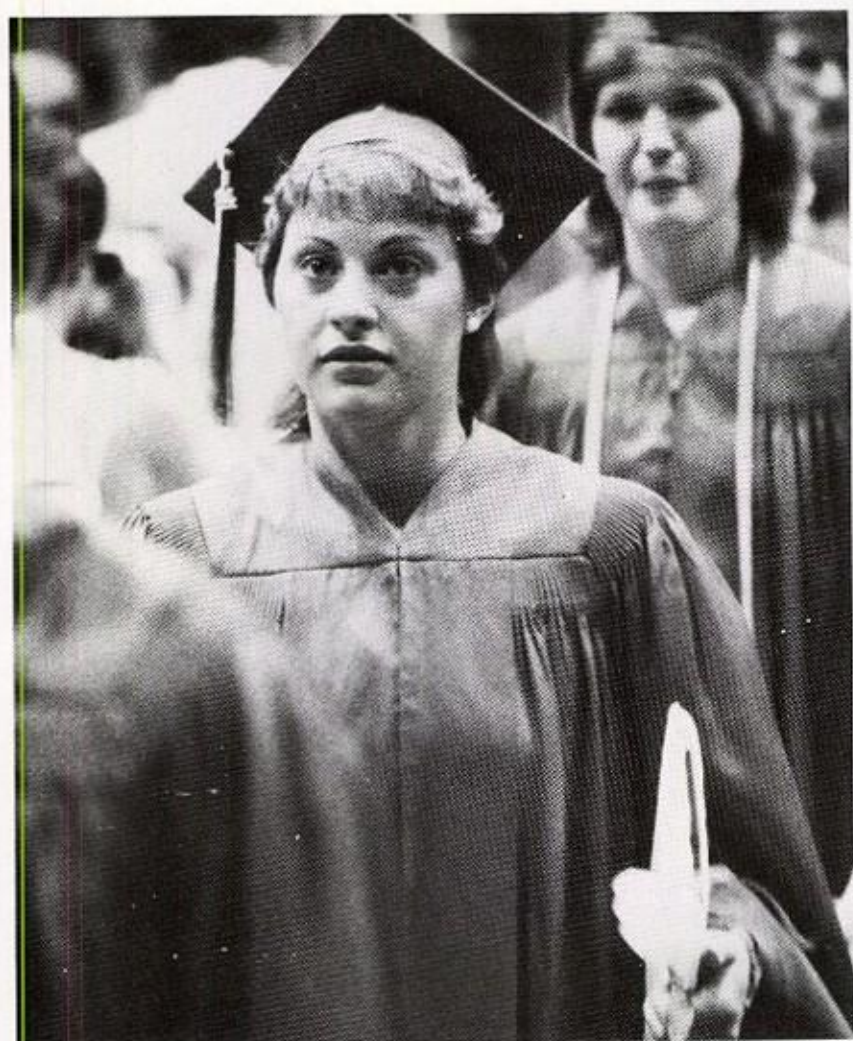

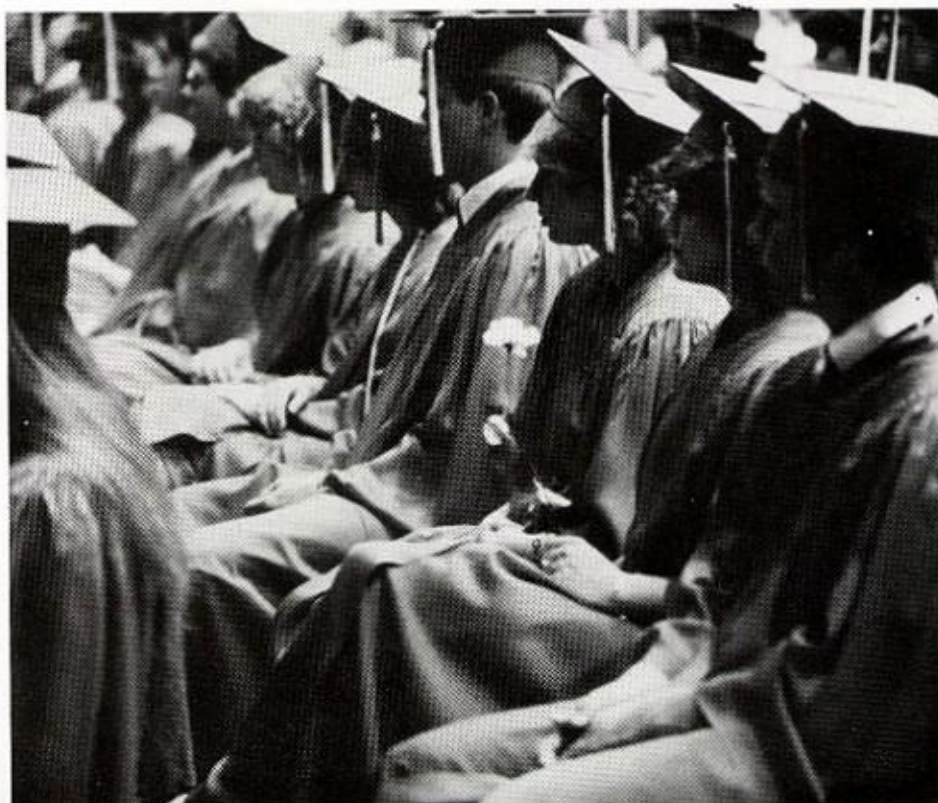

Dr. Williams Gogan, Superintendent, introduced the speaker, Pastor Dennis Ritchey of the Evangelical Free Church.

Principal Gerain Spatz and School Board President Richard Krahulik presented the class with their diplomas, and the class symbolically moved their tassels.

Varsity Narrowly Misses State

With a 13-8 record the Varsity Volleyball team was showered with end-of-the season honors. Kim Cook, Pauline Penas, and Jenny Anderson earned a place on the All-Conference West Division team. Kathleen Warner and Tammy Vancura were

given honorable mention. The Lady Chants missed a chance for State Tournament Play by losing to Albion at Districts. First year Coach Amy Busch commented that, "We had a good season, and a lot of talented Seniors that will be missed."

Reserves Have 500 Season

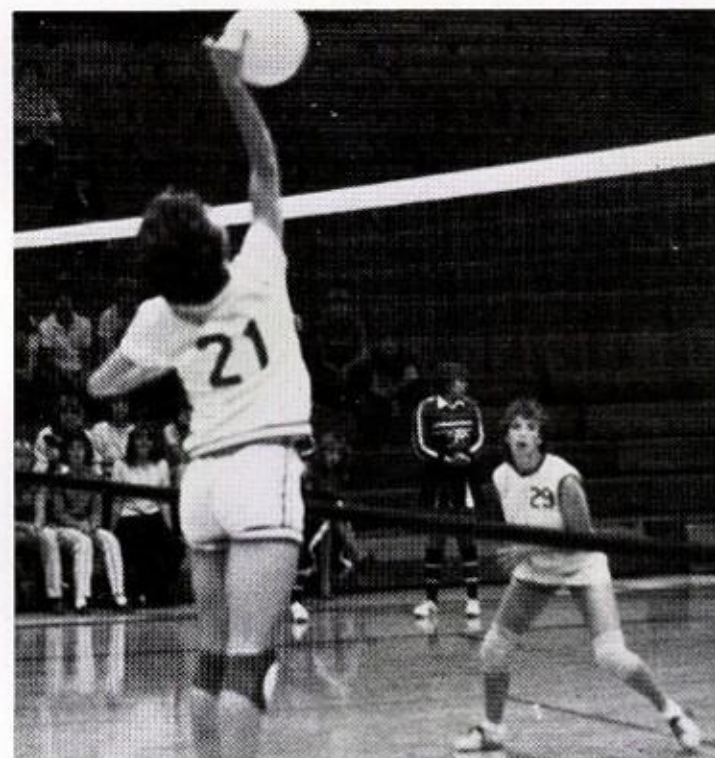

Coach Sandy Bartholomew said that, "Overall the reserves had a good season." A lot of "valuable" experience was gained by all the players, and individual skills were improved. Setting and spiking percentages were good but Coach Bartholomew said she was "disappointed that the serving percentage was not higher."

Some individuals who were noted for their accomplishments are leading setters, Jill Hurlbert and Vicky Wagner; Kendra Williams with 17 ace serves; Tammy Mulligan was the leading spiker with 74-87 and also lead in ace spikes with 23. Mary Dubas was the leading blocker. The team finished with an even 4-4 record.

Teamwork Is Season Key

Teamwork was the key for this year's impressive Freshmen team. With a finishing record of 5-1 the girls' only loss was to GINW. Coach Kelly Clemens commented that with only six players on the team they had to stick together. Clemens also said she was very pleased with the team's efforts . . . and "We had a very fun season." Kate Gibbons and Kindra Chilewski were noted as the best all-around servers.

Valuable Fundamentals Learned

With 39 7th and 8th graders this year's teams not only learned the always valuable fundamentals, but also patience. Coach Jan Weber commented that, "It was very hard getting everyone into the game but the girls were very understanding." The 20 7th graders finished the season with a 1-3 record. Coach Weber stated that she was impressed with their serving and very pleased with their ability to learn so much during their first year out. The 8th graders ended their season with a 1-5 record. Miss Weber boasted that this team would develop into great volleyball players.

Seventeen 8th graders and fourteen 7th graders made up the 1983-84 Junior High football team. Under the mentorship of Lon Bartholomew, the team experienced a learning process throughout the season, and finished with a perfect 4-0 season.

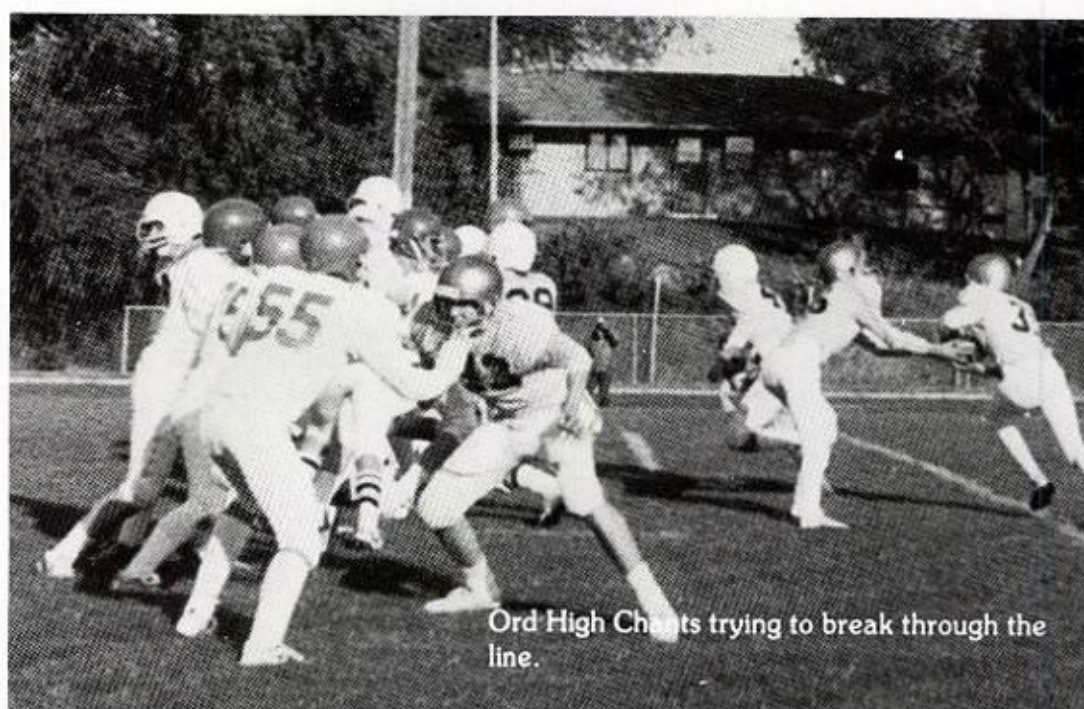

"We made progress in each game," Bartholomew said, "and each player developed his techniques to help the team's effort."

Good Line and Backfield Bring 4-1 Record

A combination of a good line and a good backfield helped the frosh gridgers to a 4-1 record. In the course of the season, they averaged an outstanding 376 yards per game in total offence while holding their opponents to a mere 61 yards per game.

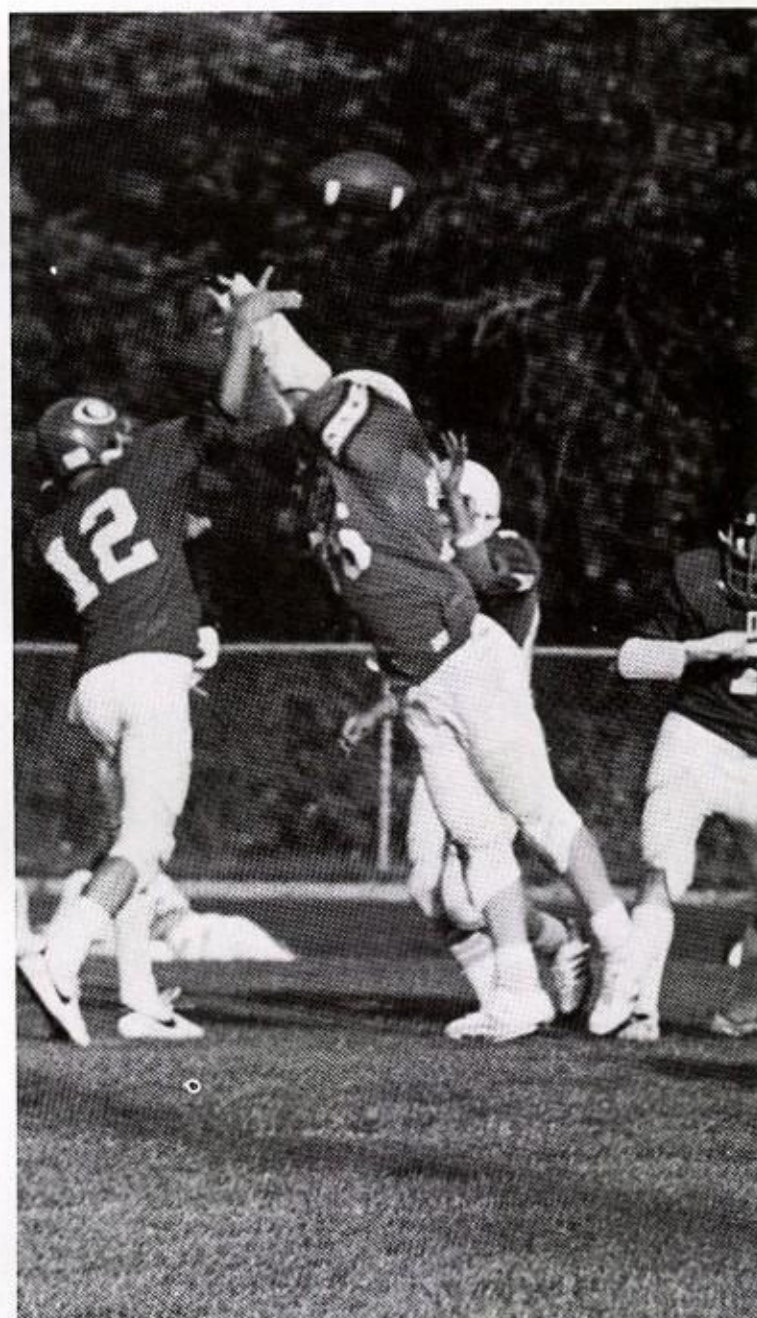

"The team really worked hard all year," said Coach Lauver. "They worked as a team and won as a team."

Clint Ellingson, Tim Miller, and Tom Krolikowski all served as team captains.

Under the direction of Coach Carl Streeter, the reserve football team finished with a 3-1 record as they beat Broken Bow, GICC, and O'Neill, and lost to only GINW.

A last minute touchdown catch by Brian Foth against O'Neill proved to be the highlight of the season.

Kevin Osentowski lead the team with 24 total yards and 51 tackles while Tom Kruml passed for 239 yards.

Varsity Team Makes History!!

History was made by the 1983-84 Varsity football team as they qualified for the state play-offs for the first time in school history and finished with a 9-2 overall record. Once in the state play-offs, the Chants easily handled Mitchell; however, they were finally defeated by the Grand Island Central Catholic Crusaders.

"The team really put out 100% for every game," said Co-Captain Wade Bundy. "But after playing three consecutive road games (Albion, GINW, Mitchell) it was really hard to come back and play well against GICC."

Brad Nelson was a co-captain along with Bundy, while Randy Welniak was voted the MVP and Dan Beran the Most Improved Player.

Two Cross-Country Teams Compete

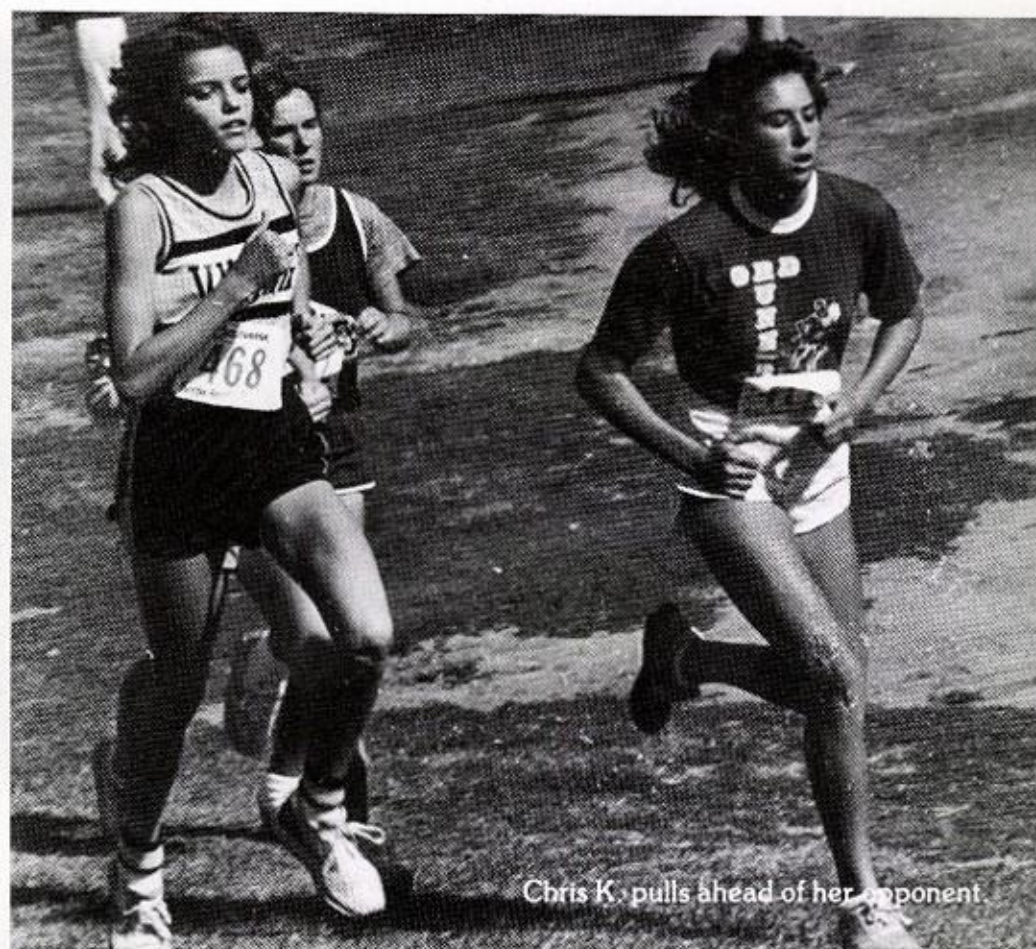

With only two returning lettermen from last year's team, the 1983-84 Cross-Country team coached by Rich Cecetka, performed well throughout the year. This year also turned out to be the first year a complete girls' team competed for Ord.

Dan Klimek and Tom Smith led the way for the boys' team, while Ron Schiedler, Craig Ellingson, Paul Foth, Steve Wadas, and Mike Zaruba added their efforts.

The girls' team consisted of Patti Wagner, Marie Wadas, Pam Weems, Jana Burton, and Kris Kihns.

Wrestlers Give "Satisfying" Season

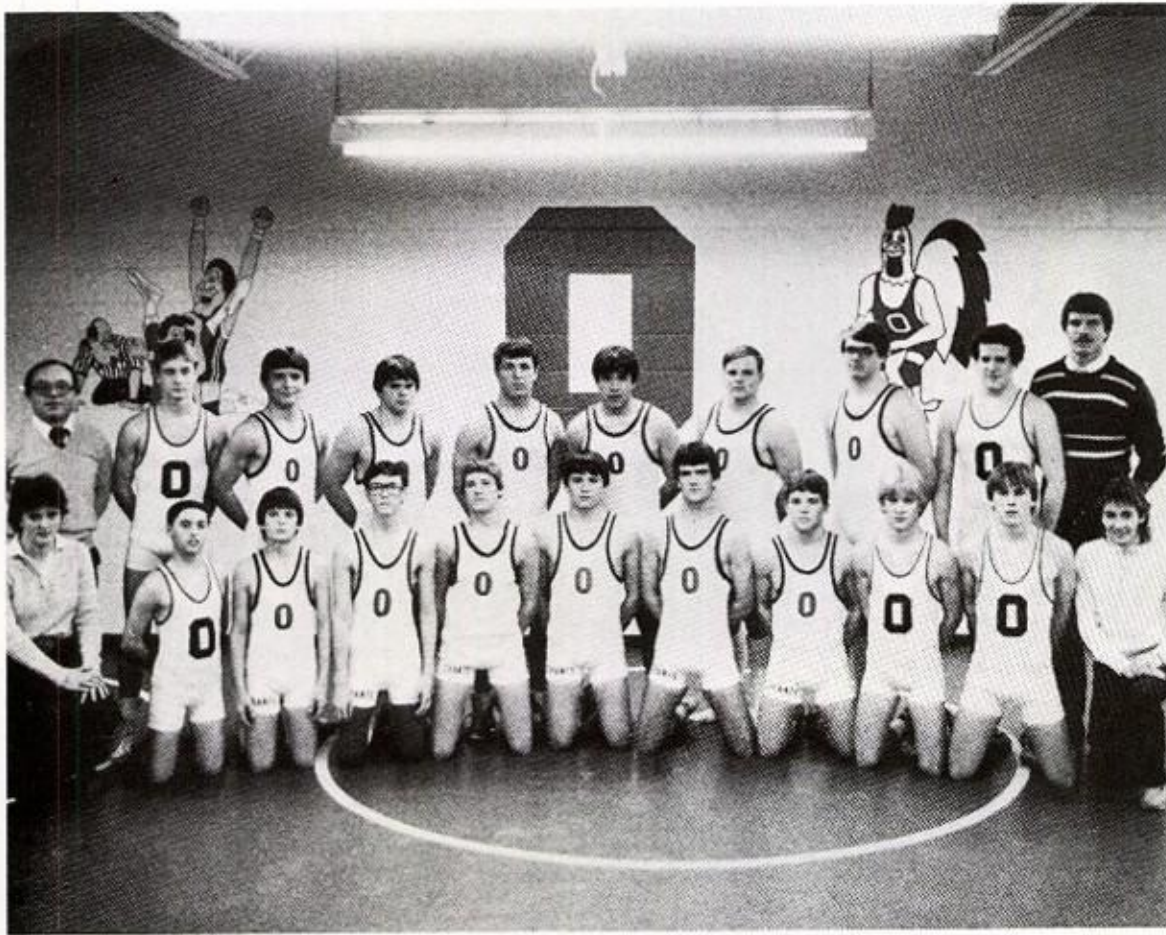

With nine returning lettermen, Varsity Wrestling Coach Dave Shrader commented that this season was a "satisfying" one. All seventeen members gave good performances, even though they were young, and gained the needed experience.

Two exceptions to this young team were Jeff Bloom and Jeff Augustyn. Both were seniors and both were state qualifiers. Jeff Bloom finished his season with a 26-5 record and placed 6th at state. Jeff Augustyn was the second person in the school's history to be a medalist in Conference and District action for four years straight.

Jr. High Wrestlers Improve Skills

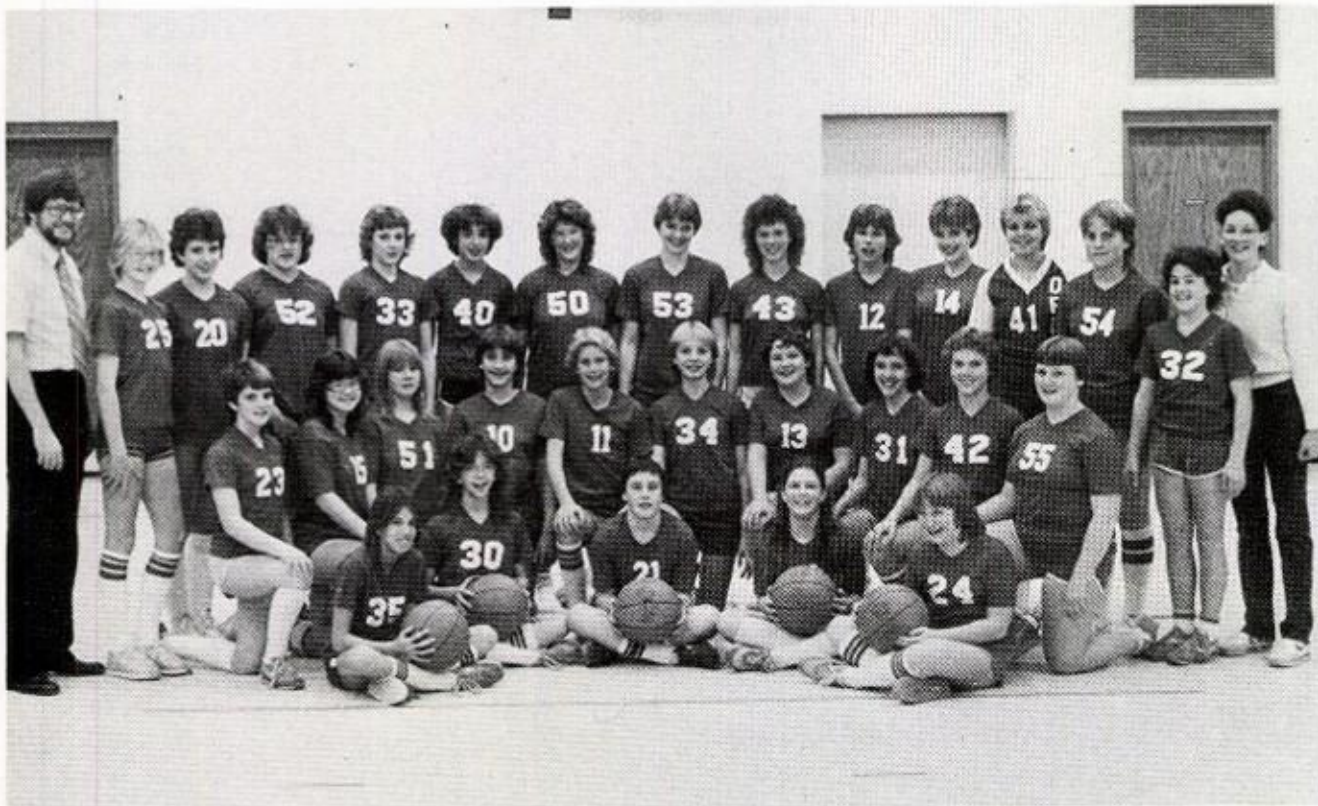

Jr. High Wrestling was coached by a former Ord High wrestler, Dave Conner. Dave coached twelve young men this year, teaching them the basics of the sport.

He commented that his team improved most on such skills as strength, ability, and attitude. He also stated that they would be an asset in the next few years.

Team Disrupted by Injuries

Coach Rich Cecetka had a 28 member Jr. High team this year. Being disrupted by injuries, the team finished with a 1-4 record. Kellie Williams was the top scorer with 22 points. Eighth graders Kristina Knapp and Carrie Sevenker contributed well to the scoring with Lisa Weems and Angela Stalker leading in rebounds. Coach Cecetka thought that next year's Jr. High team would be strong with the help of next year's eighth graders.

"Good Job" to Everyone

With only 9 players, each Frosh team member gained a lot of playing experience. According to coach Jan Weber, her team improved on free throws and driving to the basket throughout the season. She also said that the girls needed to work on their jump shots, but there are some good future ball players. Kate Gibbons led the team in scoring and rebounding, while DeeLinn Goodsell led in steals and Kris Stowell led in field goal percentage.

GOOD JOB

Good job goes to everyone
On the freshman team
We made it this far
Even though it seems

We didn't win the Conference Game
But we gave it our best shot
It taught us something about friendship
That we can use a lot.

Our friendships we have strengthened
I know that for a fact
They kept this team together
They kept it intact

We cried when we fouled out
We cried when we got hurt
But we kept on going, yes we did
And tried to be alert

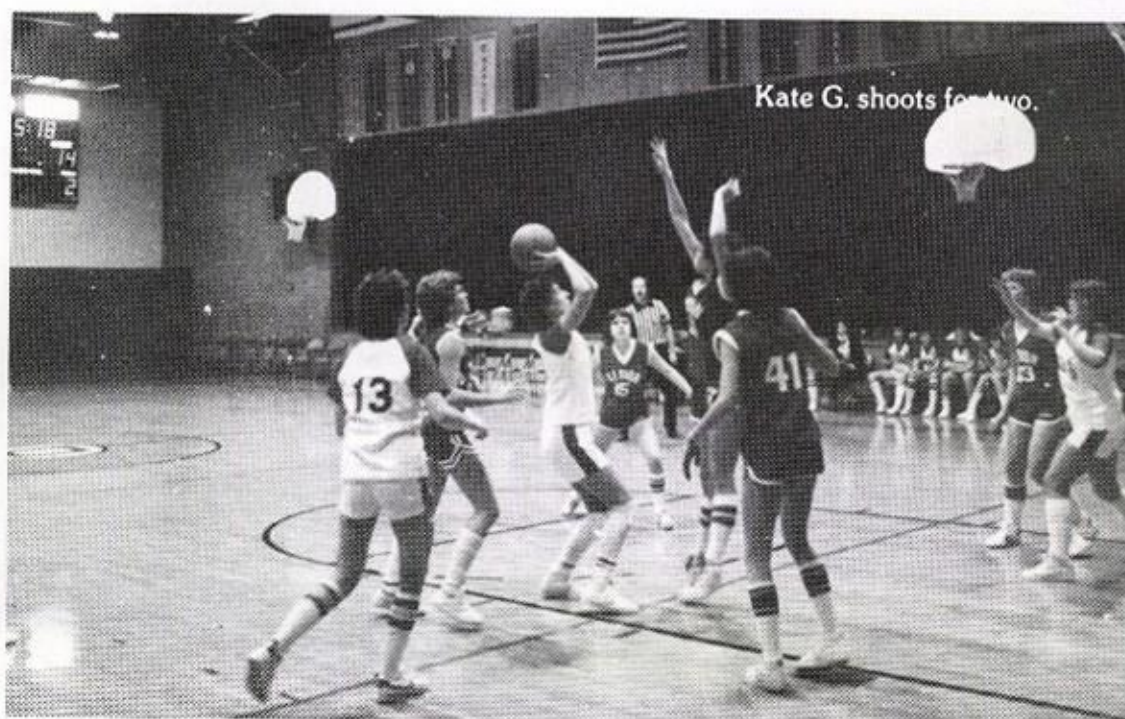

This freshman team
Can really move
We've got what it takes
To get in the groove

Miss Weber coached us through it
The starters did their best
But when they got too tired
The others gave them a rest

DeeLinn, Lori, and Stephanie
Kris, Lynn, and Kate
Peggy, Susanne, and Cheryl
The team that did so great

Ord freshman girls that's who we are
A team that gives no sass
That's because we are
The team that has got CLASS!!!

The impressive Reserves came up only 2 points short of a perfect record this year. They lost their first game by a mere 2 points to G.I.N.W., then won every game after that. First-year coach Dave Huston stated that it was a good experience to coach such a talented team his first year. Coach Huston added that the team's strongest point was the reliable bench strength.

Lady Chants are "Champs"

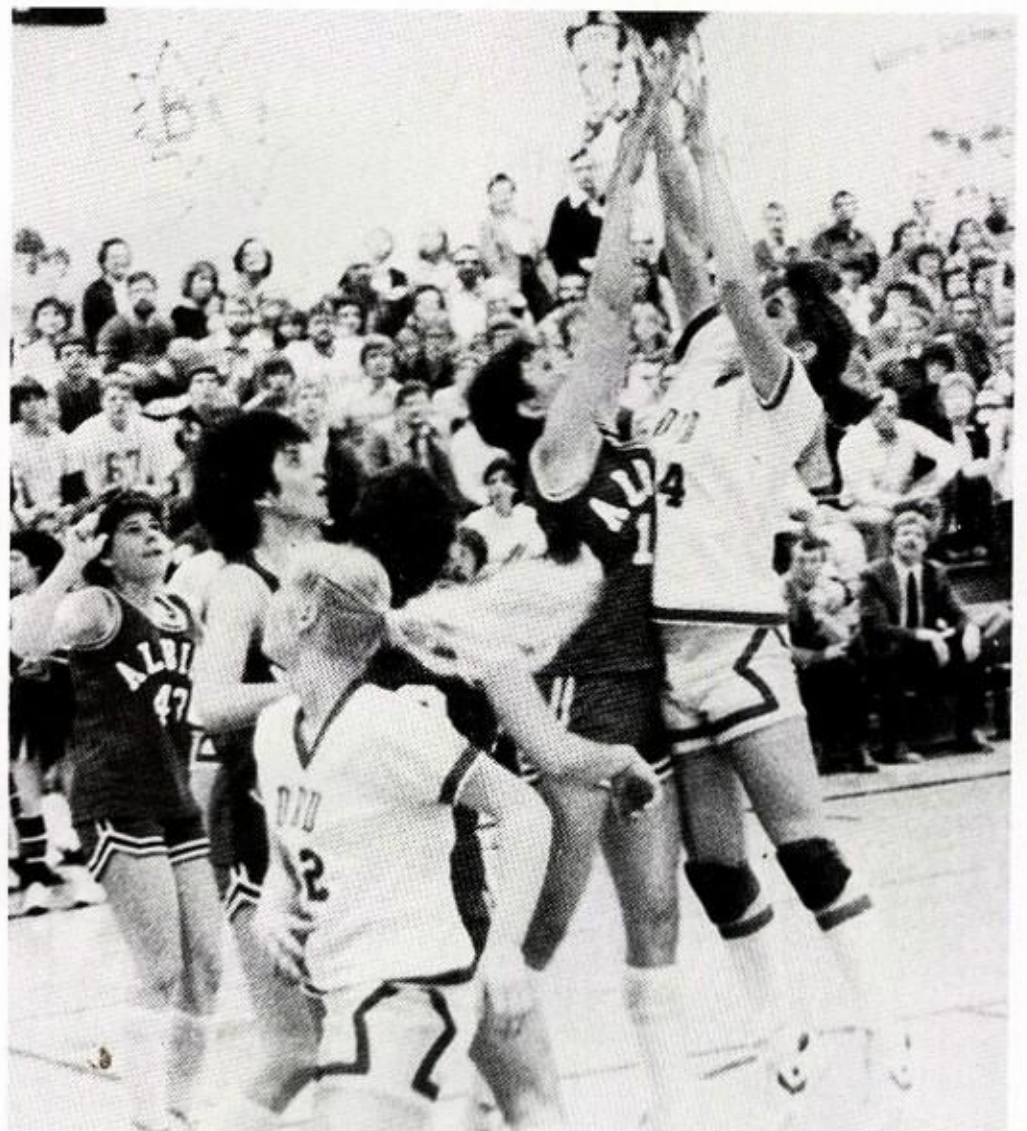

Once again the Lady Chants proved to be all that they were made out to be. Not only did the Lady Chants return to the state tourney but they also won every regular season game for the first time in Lady Chant history. On top of all this they also reign as the "Champions" of the Central Conference tournament, District tournament and the Ainsworth Invitational! The majority of the valuable points were scored by Seniors Kim Cook & Jenny Anderson, and Junior Tammy Vancura. The girls' only loss came in the semi-finals at the state tournament to round out the season with a 21-1 record. Coach Murray said that the girls performed very well. He summed up his comments saying, "This is the best team I've ever had!"

Team Has "Never Give in" Attitude

Size and experience were against them, but determination and devoted effort were all theirs. This year's 6-15 record says nothing of all the hard work and "never give in" attitude of the team, says coach Fred Williams. He also commented that the team played real good against other teams that were of their own size, however, the teams they lost to were usually much taller.

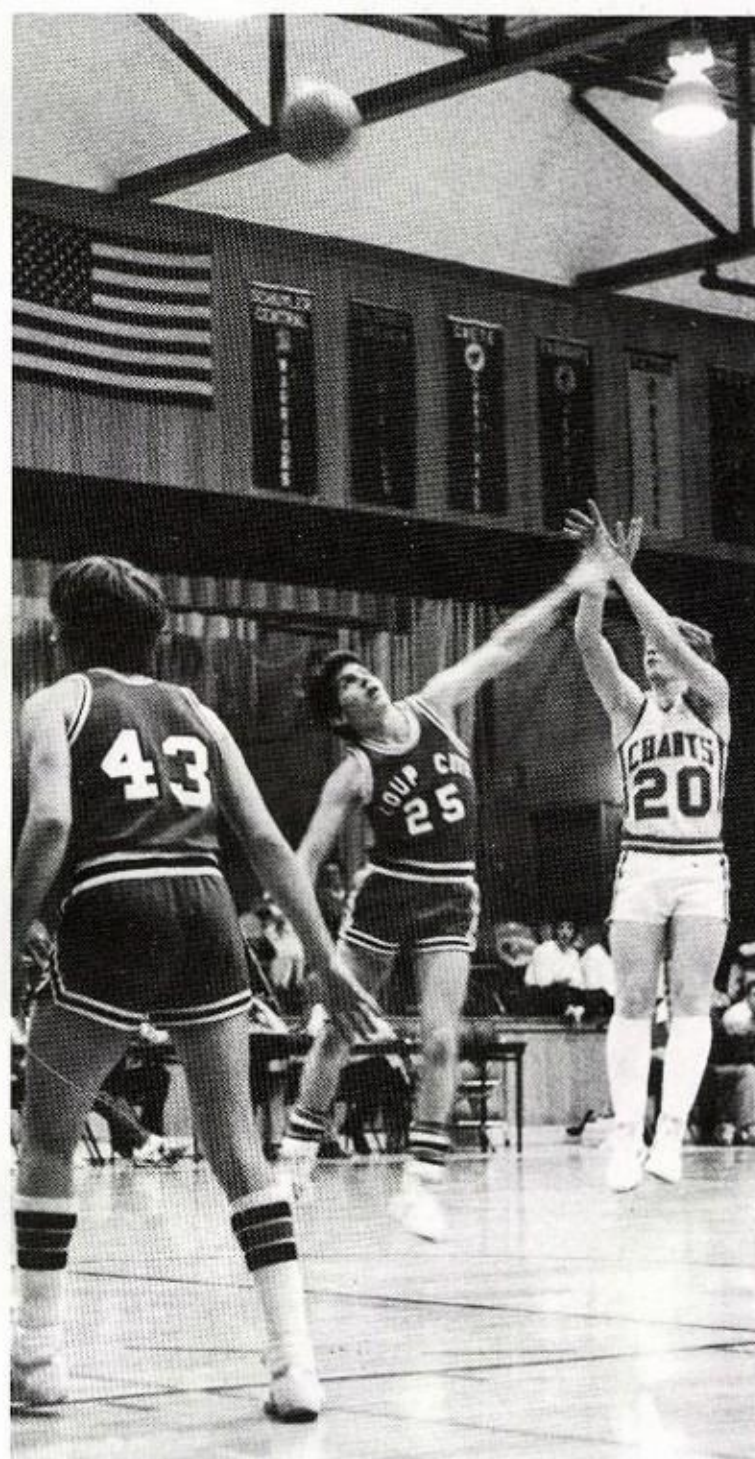

Leading in the scoring column for the 6-15 Chanticleers was senior Randy Welniak.

Tom Smith controlled the top of the key and Brad Novosad and Guy Pinkman held down the bottom end. Along with Reserve power houses Craig Erikson and Kevin Osentowski, they put together a 6-8 season record.

Coach Paul Machal com-

mented that this year was a learning experience for him as he had never coached high school basketball before. He also felt that the team members worked well together and would be even better in future seasons.

This year's 12 member team was lead in scoring by Chris Smedra with Barry Geweke following as second top scorer. Rebounding was also led by Chris Smedra.

Coach Leo Lauver pointed out that Nate Wulf and Jerry Hibbard improved tremendously throughout the year. Other comments from Leo revealed that all the players showed improvement throughout the season, and they all worked extremely hard. Leo noted this season as "enjoyable."

Outstanding Team, Helpful in Future

"We had a successful season in terms of experience gained and skills developed by each player," says Lon Bartholomew, coach of this year's team.

These words proved to be true when the young men won the West Division Conference Tournament. With an astounding 8-2 season, the team is sure to be very helpful to the future of the basketball program.

Varsity Girls' Break Records

Varsity Girls' track coach Rich Cecetka had one State qualifier this year, Tammy Vancura. The junior qualified in the discus. She also holds the school record in the shot-put with a throw of 35' 3½". Seniors Marie Wadas and Jenny Anderson both had a very good season. Each of the girls proved their talents throughout the season. Wadas, who is the Central Conference Discus Champion, also holds the school record in the same event. Anderson tied the school record in the high jump with a jump of 4'10". The two-mile relay team was also praised by Coach Cecetka for being consistent in all meets. Members of the relay include Dana Z., Mary D., Chris K., and Jana B.

"Good Participation" From Varsity Boys

Two members qualified for the state track meet this year from the Varsity Boys team senior Randy Welniak and sophomore Dan Klimek. Randy participated in the 800 and Dan in the 1600 and the 3200. Randy hails an unbeaten record in the 800.

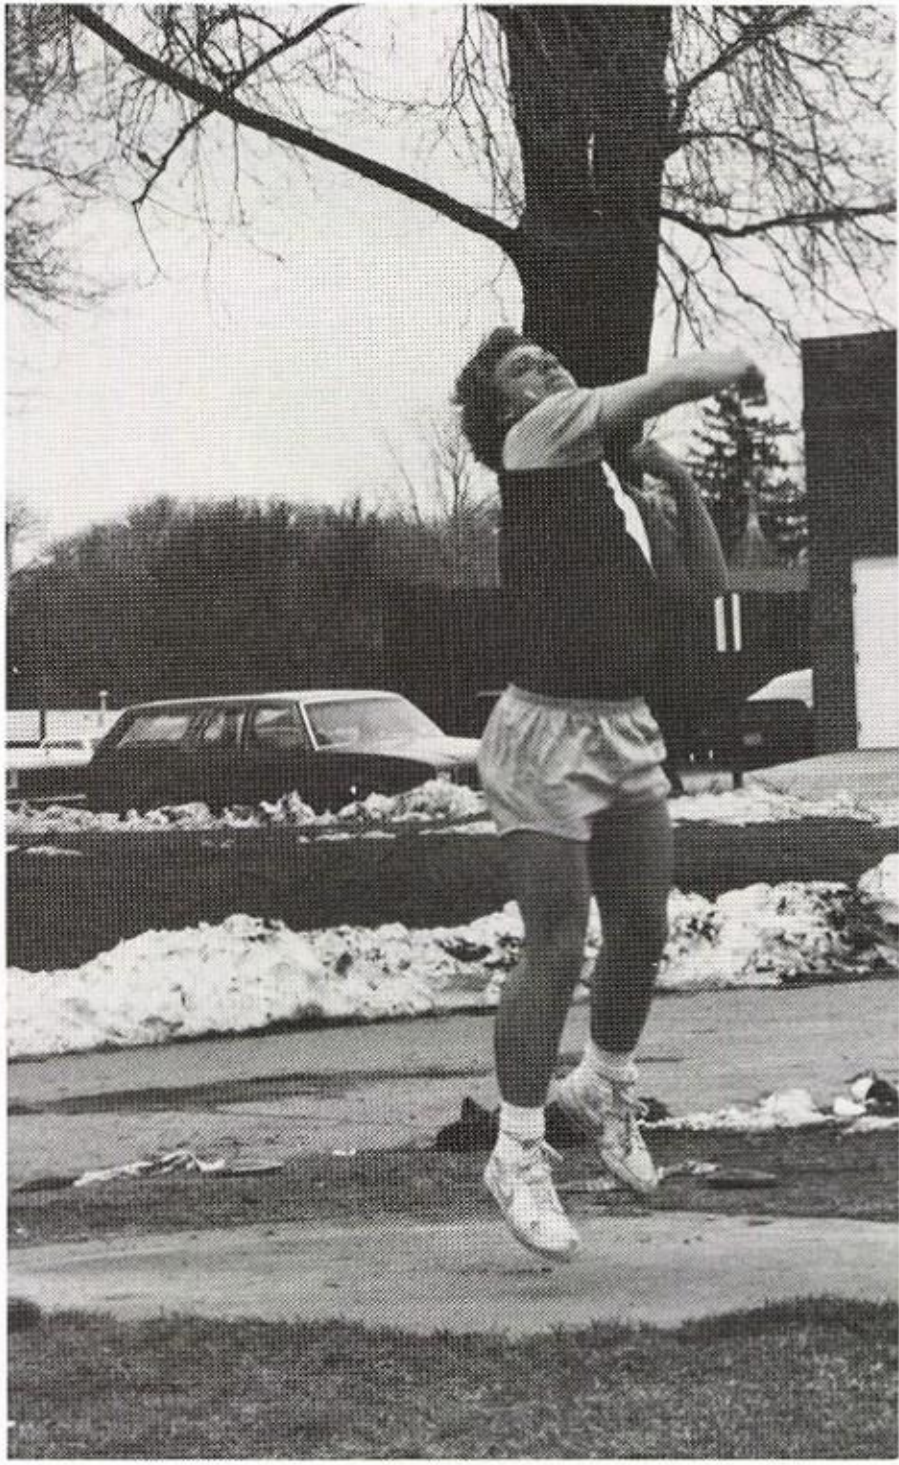

Coach Gene Suhr commented, "Dan and Randy did an outstanding job and there was good participation from every team member."

This year's Jr. High track team was coached by G.P. Machal. The coach said that he was very pleased with his team and they all worked very hard in every event. The 16 member team gained the necessary experience to make them as fine track team in the future. Coach Machal also had to say that he "enjoyed coaching the fine group of men."

Coached by Fred Williams, the 14 member golf team has finished another season. This year's team placed 4th at the Broken Bow Invite. Individual placers were Russ Blaha, 6th; and Craig Erikson tied for 10th. At the Central Conference Meet the Orq team placed 6th, and once again junior Craig Erikson tied for 10th place. A 5th place finish at the District Meet ended the season for the golfers.

SEVENTH

For the seventh grade class, this is a year of adjusting. Coming from a school where they were the oldest, they now have to adapt to being the youngest. Along with being the youngest, goes the job of putting up with the upper classmen taking advantage of you. Another thing the seves have to adjust to is switching classes after every period.

EIGHTH

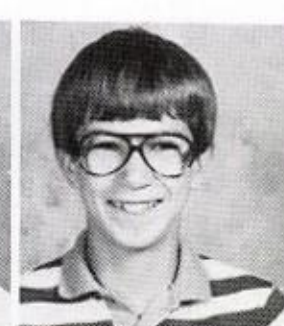

The eighth grade class has been in the High School now for one year. They have acquainted themselves with the building and the halls. Also, they no longer run or race to get to class or through the halls of O.H.S. As usual, they are required to take seven classes which include P.E., Math, English, Social Studies,

to name a few. Plus they also have Jr. High sports to keep them busy. So with school work and sports they have very little social time. Except, for maybe the weekends.

FRESHMEN

The freshman class has already started making money to put to Prom. They have had a couple of projects this year. First of all, they sold M & M's, and because of all the sweet teeth around the school, they did quite well. Their second project was selling light bulbs. They said they didn't make that much money, but every little bit helps!

JUNIORS

The junior class has worked very hard this year to present the seniors with a special prom. As usual, the juniors had the chore of raising money and making all necessary arrangements for prom. In order to raise sufficient funds, they sold magazines and Christmas ornaments. And, of course, they put long mind-boggling hours into setting it up.

SENIORS 1984

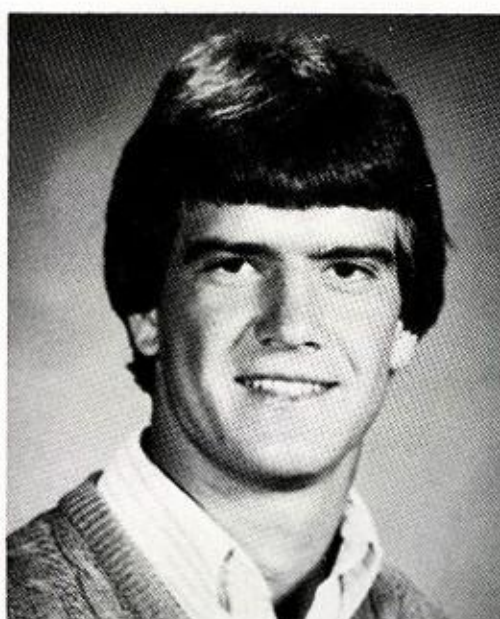

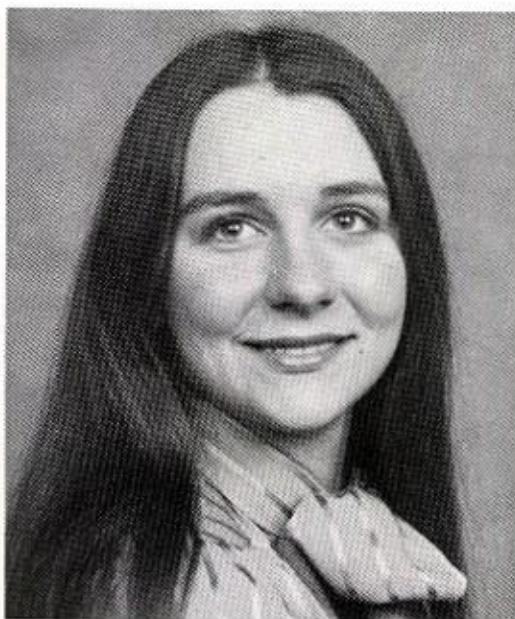

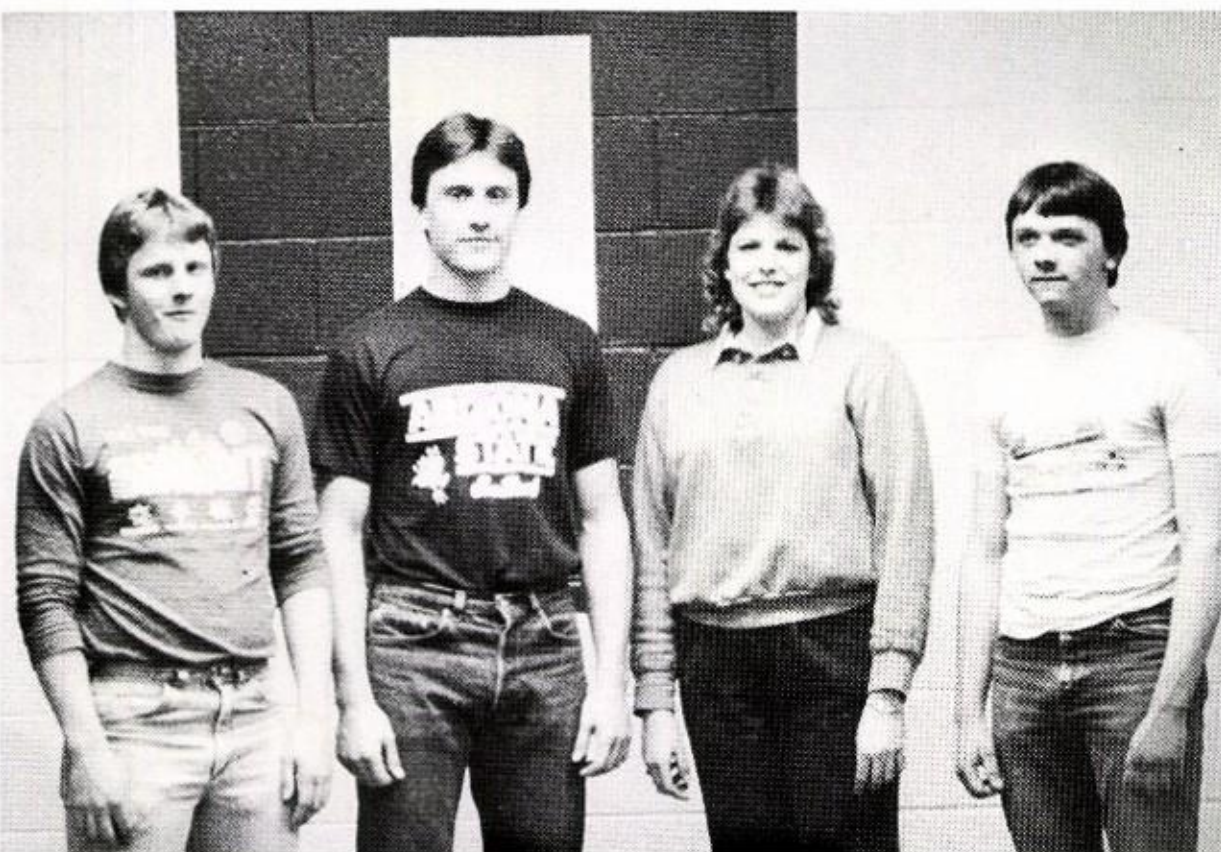

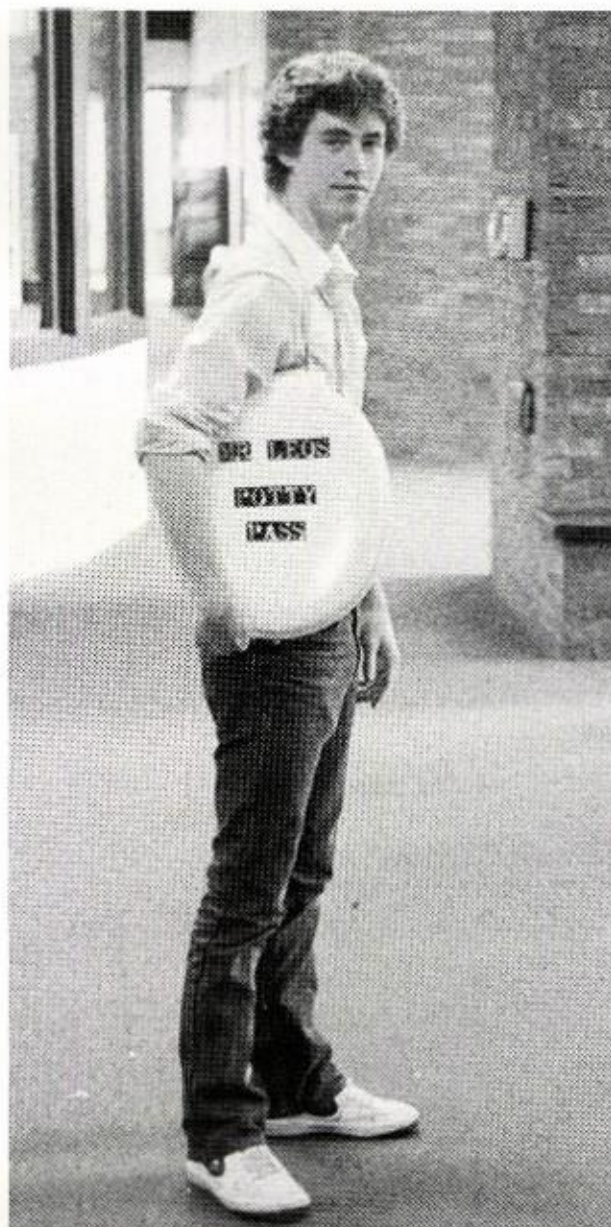

Dear Parent:

Your child is failing . . . Physics, Office Practice, English 12 . . . he owes three cents for an overdue library book . . . two dollars for class dues . . . fifty cents to get his gym shoes back . . . seventy-five cents for carving his initials into the lunch room ceiling and has missed twenty-one days of school . . .

These problems will never enter a 1984 Senior's mind again. Those days are gone, along with being seniors at O.H.S. Some of us will be merrymaking, going to college, or just out there looking for that job. Most of us are going to miss our friends, underclassmen, teachers and certain classes. For they have all played an important role in our life. What will we remember most about our high school days? Class parties, G.I.N.W. football game, prom and homecoming dates. Probably every senior will remember these things, but most of all we thank O.H.S. and the teachers for giving us our education. So, graduation is very near a grand final of these years. New doors will open, old doors will close. Where will we go? Only God knows.

Mid-term graduates are marked with an asterisk.

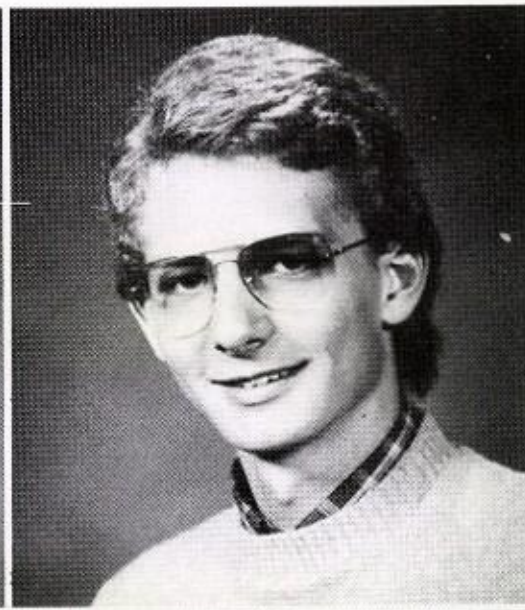

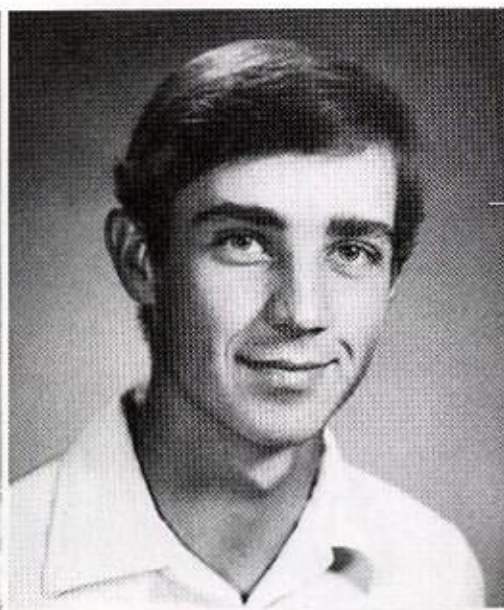

Class officers are l-r: Pres. — Marci Marshall, Vice Pres. — Brad Nelson, Treas. — Randy Treptow, Sec. — Todd Halligan. Below: "When you gotta go, you gotta go," Chad Pinkmen takes the potty pass to the bathroom.

In Memory of Betty Ann Markvicka

Most of the battles are over now.

Some won, some lost, but we have gained more than an occasional victory.

We also have our memories, the best of which we remember the clearest. The scars prod the past, even the sadness has some satisfaction. And the happiness can fill lonely hours. The memories which fill the void of time come from experiences.

"Senioritis" Sets In

With the closing of our book, the yearbook staff feels we should extend credit to some important people, whom without their help and support, this book would not have been possible: Ord Area Businesses, who bought ads; the Administration; the faculty and teachers for bearing with us for class dismissal and candid shots; to Ray and Mary Marshall for taking the pictures for our "People" section; to Ruth Hahn, Representative of Taylor Publishing Company; to Leo Lauver and his photography staff; and to Mark Pedersen, our adviser, who got us going to meet deadlines and make this book a success. A special thanks goes out to you, the students, whom this book was made for.

It was a special year at Ord High, we hope this book helped to open some doors in the back of your minds and let old memories of the year come through.

As the School year comes to an end, so does our book. But just because the 1983-84 school year is over, it doesn't mean the memories are.

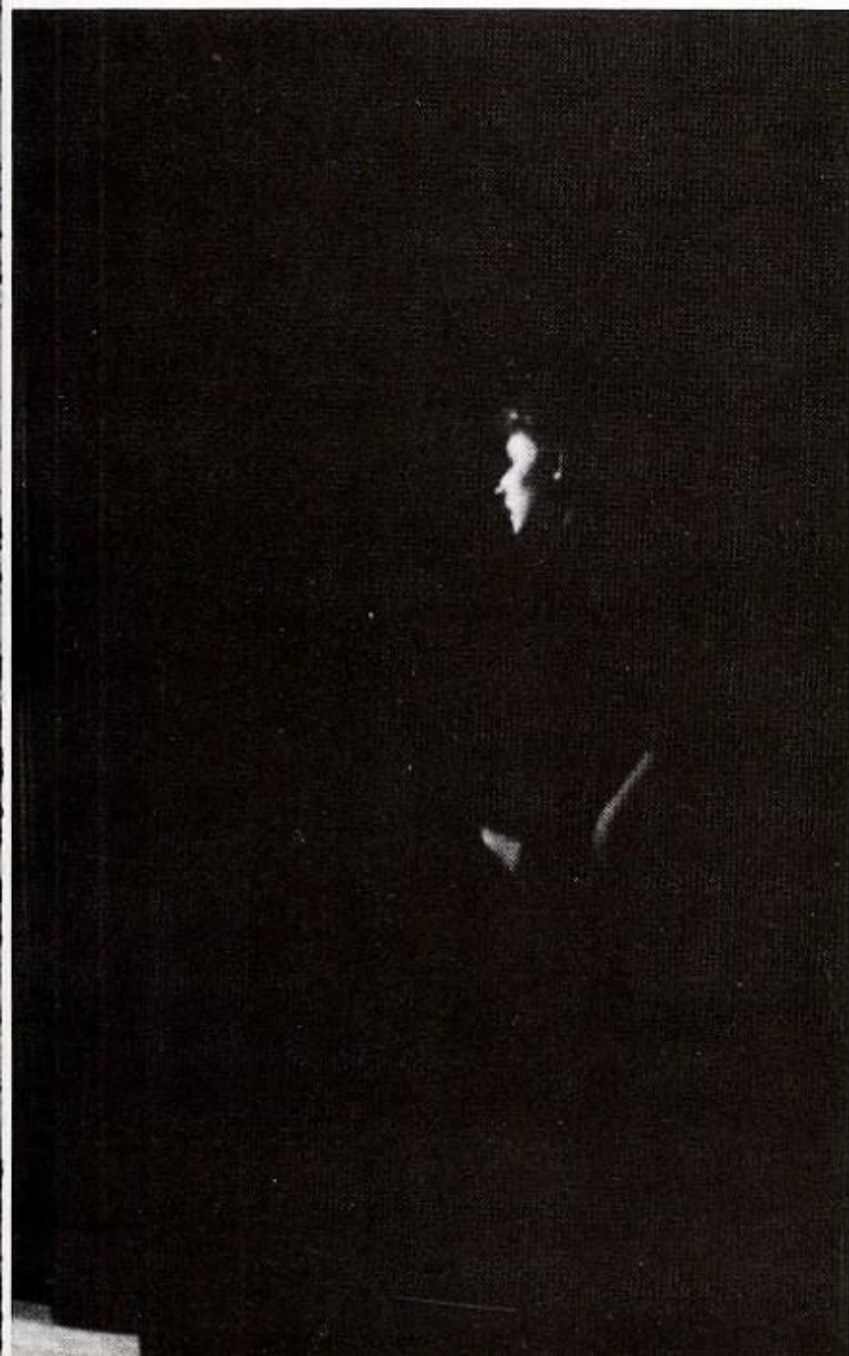

Yearbooks are for bringing back memories of good times and friends, and memories of that school year that "Just wouldn't end."

Remember the winning

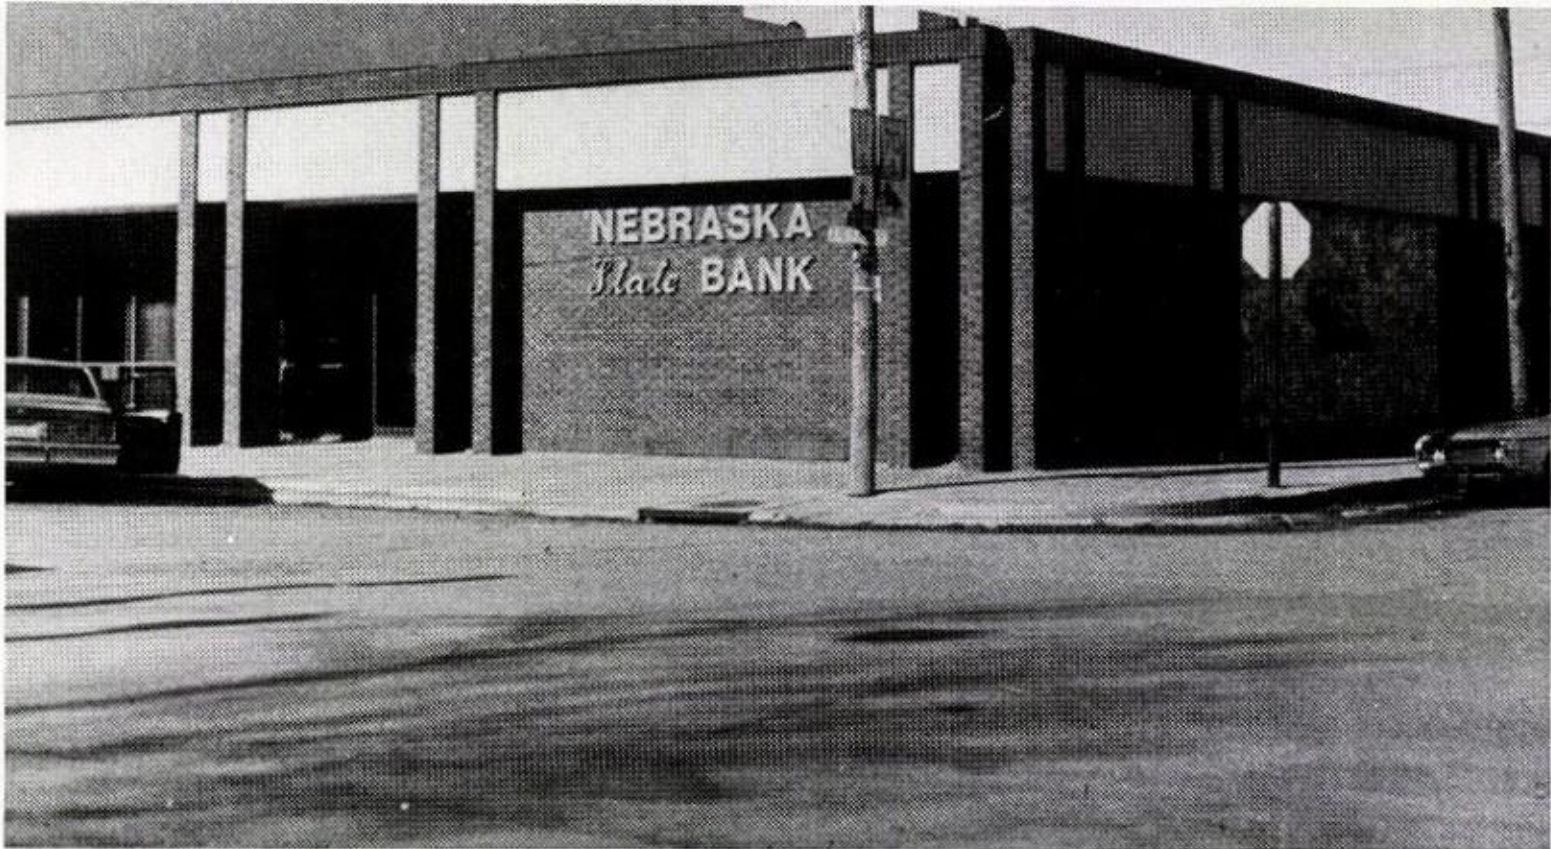

seasons and champion teams, from touchdowns to baskets, we made true, all those dreams.

Memories of good times, along with the bad, of friends we've made, the ones we've had.

From Homecoming to Graduation, we went through the halls, with fun-loving friends, this book remembers them all.

Congratulations Class of 1984

Stacey-

I really don't know where to start or what to say, & honestly I feel real uncomfortable writing in your annual. Anyway, here it goes.....
last year was great, nothing will ever replace these memories. But times change & so do people & well... I'll leave it at that. Hope everything works out in life for you, I'll be 'reactin' for you every step of the way. Stay the way you are & don't change for anyone but yourself!! We've done a lot together & through it all we've managed to put away a lot of alcohol. (especially me) Anyway, thanks for everything you've ever done for me - call the times you put up with me & the things I did. That meant a lot to me & it always will. You'll make a great cheerleader, so keep it up. Thanks for all the times you've helped me out & cheered me up. I appreciate it. We have to start making our Jr. & Sr. years greater than possibly imagined!! I can't wait for Prom & all the parties to be reduced & roundly at. You're right we've been through so much... too much to let it all end. But we do need to have a long talk some time alone. (this is getting kinky) I'm ready to read trip down to Lincoln quite a bit to FB games, or to Omaha to concerts, or just go anywhere & party with people other than Ordites! (know what I mean?) Stay the way you care.

I'm finally finished

Love you forever (I mean that)

Mary
